

## Erasmus+ online seminar

### The future of Europe – Europe is your future!

#### Pupils' participation in democratic life

How can schools and Erasmus+ support pupils' participation in democratic life, social and civic engagement through learning activities? This online event is designed as a barcamp where teachers and pupils can actively bring in ideas for exchange, get to know teachers and pupils from other countries, get information about the funding programme Erasmus+ and learn how it works by experienced teacher and pupils.
